25X1

25X1 2. [REDACTED] By way of followup to my earlier inquiry, Larry McHugh, Joint Economic Committee staff, said he talked with John Stark, Executive Director of the Committee, about the timing of the hearings on the Soviet Union before the Subcommittee on Foreign Economic Policy. He said that Stark has put pressure on John Hardt, Library of Congress, to get the various reports in so hearings could be held in "late spring." McHugh said as far as he knows no specific date has been set for the hearings and there is always the chance they could be slipped back.

25X1 3. [REDACTED] Senator Adlai Stevenson's (D., Ill.) office called and asked us to send application forms and employment information

25X1 to a constituent, [REDACTED]
